

GREENWOOD NEWLETTER

SEPTEMBER 2011

Water and Sewer Rate Schedule – Included in this mailing is an explanation of the newly approved water and sewer rate schedule. Please make yourself familiar with the Town's water and sewer rates. The new rates will take effect with the September 30 water meter reading.

Recycling – Universal recycling (by order of the State of Delaware) will begin in September. It is mandatory for municipalities to participate but residents are not required to participate. The Town will be purchasing containers for you to put your recycling in should you choose to. The carts have been delivered to all residents that have their trash picked up by our carrier. **These carts are not to be used for household trash.** The first pick-up will be on Monday September 19, 2011. The pick-ups will be every other Monday.

Yard Waste – Effective January 1, 2011 our trash company can no longer accept yard waste of any kind that is put out with your regular trash. Our trash hauler M-T Trash has a program for residential yard waste removal. It is an agreement between the individual resident and/or homeowner and M-T Trash. Call M-T Trash for further details. Their phone number is 302-337-7700.

Big Saturday – The Big Saturday festivities will be held on Saturday September 3, 2011. If anyone would like to volunteer to help with the big day or to receive an application, please contact Frank Paquette at 302-349-9065. If you are having a yard sale in Town please let us know so we can put your location on the map. Please see our website for vendor form.

Water Conservation Tips – In an effort to help the residents of Greenwood conserve water we will be including a monthly water conservation tip. The tip for September – “Wash your fruits and vegetables in a pan of water instead of running water from the tap.”

WATER AND SEWER RATE

SCHEDULE

Effective with the 9/30/11 utility billing, the following rates will apply to your individual water usage:

WATER RATES –

0 GALLONS	\$20.00 FLAT RATE
1 – 3,000 GALLONS	\$30.00 FLAT RATE
3,000 + GALLONS	\$2.42 PER 1,000 GALLONS

SEWER RATES –

0 GALLONS	\$30.00 FLAT RATE
1 – 3,000 GALLONS	\$45.00 FLAT RATE
3,000 + GALLONS	\$6.15 PER 1,000 GALLONS

NOTE : If you have multiple users hook to one water meter you will be charged for multiple minimums.

An example would be you have one water meter but you have a residence and a rental property using water, you will be charged for 2 minimums and your gallons would be 6,000.
