

GREENWOOD NEWLETTER

APRIL 2012

High Volume Water User Form – Included in your billing this month is a High Volume Water User Form. This form is to be filled out for any of the reasons listed on the form. You will be charged for the water used, but you will receive a credit on your sewer charges, based on the average sewer charge that you have had in the past.

Cash Payments – Cash payments for taxes, water, and sewer and/or trash bills **MUST** be made in Greenwood Town Hall. Please do not place cash payments in our outside drop box. Money orders and check payments may be placed in the outside drop box for payments to the Town.

Trash Pick-up – Waste Management has provided trash containers to each of our residents free of charge. Please use these trash cans for the Friday pick-up of trash. **Also please place trash cans close to curb for pick-up.**

Yard Waste – Effective March 29, 2012 Waste Management will no longer provide yard waste service, due to lack of interest by Town residents. Yard waste may be taken to either Ellendale 302-422-8632 or Bridgeville (Wednesday and Saturday only) 302-337-3521. Please call them for specifics.

Bulk Trash Pick-up – The Town of Greenwood will have our bulk trash pick-up on Saturday May 19, 2012. A flyer will be included in next month's mailing explaining what you can and what you can't put out for pick up.

Grass Ordinance – The Town of Greenwood has a grass ordinance. As summer comes closer please keep in mind to cut your grass when necessary. Anything in excess of 8 inches in height will cause you to receive a notice about cutting your grass. Then if it is not cut within the required time the Town will cut it and bill you for the cost.

Water Conservation Tips – In an effort to help the residents of Greenwood conserve water we will be including a monthly water conservation tip. The tip for April – “For cold drinks keep a pitcher of water in the refrigerator instead of running the water from the tap”. This way, every drop is used for you and not run down the drain.”
