

GREENWOOD NEWSLETTER

APRIL 2014

High Volume User Form – Included in your billing this month is a High Volume User Form. This form is to be filled out for any of the reasons listed on the form. You will be charged for the water used, but you will receive a credit on your sewer charges, based on the average sewer charge that you have had in the past. Please return the completed form at your earliest convenience.

Bulk Trash Pick-Up – The Town of Greenwood will have our bulk trash pick-up on Saturday May 10, 2014. A flyer will be included in next month's mailing explaining what you can and what you can't put out for pick-up.

Grass Ordinance – The Town of Greenwood has a Grass Ordinance. As summer comes closer please keep in mind to cut your grass when necessary. Anything in excess of 8 inches in height will cause you to receive a notice about cutting your grass. Then if it is not cut within the required time the Town will cut it and bill you for the cost.

Cash Payments – Cash payments for taxes, water, sewer and/or trash bills MUST be made at Greenwood Town Hall. Please do not place cash payments in our outside drop box. Money Orders and check payments may be placed in the outside drop box for payments to the Town.

Yard Waste – Yard waste may be taken to either Ellendale 302-422-8632 or Bridgeville (Wednesday and Saturday only) 302-337-3521. Please call them for specifics.

Drop-off box on side of Town Hall – We still have the drop-off box on the side of our building. It is no longer a drive-up but it is still available. In addition please DO NOT put cash in the drop-off box, only checks or money orders.

Water Conservation Tips – In an effort to help the residents of Greenwood conserve water we will be including a monthly water conservation tip. The tip for April – “When washing dishes by hand, fill the sink basin or a large container and rinse when all of the dishes have been soaped and scrubbed. You can save up to 500 gallons of water per month.”
