

GREENWOOD NEWLETTER

APRIL 2013

High Volume User Form – Included in your billing this month is a High Volume User form. This form is to be filled out for any of the reasons listed on the form. You will be charged for the water used, but you will receive a credit on your sewer charges, based on the average sewer charge that you have had in the past. Please return the completed form at your earliest convenience.

Bulk Trash Pick-Up – The Town of Greenwood will have our bulk trash pick-up on Saturday May 11, 2013. A flyer will be included in next month's mailing explaining what you can and what you can't put out for pick-up.

Delinquent Accounts – Property Taxes, Water/Sewer/Trash Bills and other charges due to the Town of Greenwood in a timely manner. Please see to it that you pay your bills so the Town does not have to take other actions.

Yard Waste – Effective March 29, 2012 Waste Management will no longer provide yard waste service, due to lack of interest by Town residents. Yard waste may be taken to either Ellendale 302-422-8632 or Bridgeville (Wednesday and Saturday only) 302-337-3521. Please call them for specifics.

Grass Ordinance – The Town of Greenwood has a Grass Ordinance. As summer comes closer please keep in mind to cut your grass when necessary. Anything in excess of 8 inches in height will cause you to receive a notice about cutting your grass. Then if it is not cut within the required time the Town will cut it and bill you for the cost.

Debris into the Sewer Line – Please refrain from flushing debris down your toilet. Things such as diapers, mop heads etc. can cause damage to our equipment here in Greenwood.

Water Conservation Tips – In an effort to help the residents of Greenwood conserve water we will be including a monthly water conservation tip. The tip for April – “Grab a wrench and fix that leaky faucet. It is a simple, inexpensive way to save up to 140 gallons of water a week.”
