

GREENWOOD NEWLETTER

JANUARY 2013

Greenwood Town Council – The only individuals who filed by close of business Friday, December 28, 2012 (the filing deadline) were incumbents Donald Donovan and Daniel Nelson. Due to this fact the Town of Greenwood municipal election scheduled for Saturday January 19, 2013 has been cancelled.

Yard Waste – Effective March 29, 2012 Waste Management will no longer provide yard waste service, due to lack of interest by Town residents. Yard waste may be taken to either Ellendale 302-422-8632 or Bridgeville (Wednesday and Saturday only) 302-337-3521. Please call them for specifics.

Snow Removal – Not that we have to worry about this yet, but remember that the residents are responsible for snow removal from the sidewalks in front of their property.

Notifications – Please forward to Town Hall your E-mail address if you would like notifications of special events or notices of upcoming situations that occur between newsletters. You can forward you e-mail address to jmcdonnell@townofgreenwood.us

Water Conservation Tips – In an effort to help the residents of Greenwood conserve water we will be including a monthly water conservation tip. The tip for January – “When washing dishes by hand, fill the sink basin or a large container and rinse when all of the dishes have been soaped and scrubbed. By washing dishes this way you could save up to 1000 gallons of water a month.”
