

# GREENWOOD NEWSLETTER

## MARCH 2017

**Safe Trade Station** – Don't forget The Greenwood Police Department is a Safe Trade Station. The Police Department has 24 hour surveillance along with officers coming in and out of the area. This program gives our residents additional safety when performing online sale transactions such as Craigslist. Please use the Town Hall/Police Department lobby during business hours or parking lot after hours.

**Snow Removal** – Residents of the Town of Greenwood are responsible for the snow removal from the sidewalks in front of their property. This also means tenants who are renting places that have sidewalks. Please remove the snow within 24 hours after the snow stops.

**Sump Pump Drainage** – If your residence has a sump pump please be aware of where it drains. Your sump pump should drain into a storm drain and not the Town's sewer line. Discharge of a sump pump into The Town of Greenwood's sewer system is a violation of Ordinance E-2, Section 5.5.

**Cash Payments** – Cash payments for taxes, water, sewer and/or trash bills MUST be made in Greenwood Town Hall. Please do not place cash payments in our outside drop box. Money orders and check payments may be placed in the outside drop box for payments to the Town.

**Yard Waste** – Yard waste may be taken to either Ellendale 302-422-8632 or Bridgeville (Wednesday and Saturday only) 302-337-3521. Please call them for specifics.

**Water Conservation Tips** – In an effort to help the residents of Greenwood conserve water we will be including a monthly water conservation tip. The tip for March – “Wash your car on the lawn, and you will water your lawn at the same time.”
