
March 2018 Newsletter

Our offices will be closed on March 30th in observance of the holiday.

High-Volume User Form – Included in your billing this month is a High-Volume User Form. This form is to be filled out for any of the reasons listed on the form. You will be charged for the water used, but you will receive a credit on your sewer charges, based on the average sewer charge that you have had in the past. Please return the completed form at your earliest convenience.

New Town Manager – The Town of Greenwood would like to welcome our new Town Manager, Hal Godwin. Hal comes to us with 18 years of experience in municipal government, which include; Mayor of Newark, Deputy Administrator for Sussex County Council, and Town Manager for Milton. We believe his experience and education will be a great asset to our town.

Reminder – Spring forward for Daylight Saving Time on Sunday, March 11 at 2am. Check that all smoke detectors are operating properly and replace the batteries.

Water Conservation Tip

Use the dishwasher: Hand-washing dishes takes on average 20 gallons; water-efficient dishwashers use 4.5 gallons – or less. Make sure the dishwasher is full and save even more.

Police Department Announcements

Crime Stoppers allows the caller to give information anonymously in a safe and protected manner without the prospect of retribution. You can call the Delaware Crime Stoppers tip line (1-800-TIP-3333) anytime with any information regarding any crime or fugitive.

Rewards are given for any tip that leads to an arrest.

Safety Tip

With the weather warming up, pedestrians and bicyclists will become more prominent throughout town. Please be aware of your surroundings when driving. Bicyclists please remember to wear your helmets.
