

*Our offices will be closed September 3<sup>rd</sup> in observance of the holiday.*

---

**Ordinance A-5 Reminder:** A-5, Section 2 – “It shall be unlawful for any person to burn or cause to have burned or permit to have burned leaves, brush, limbs, or any other combustible matter within the corporate limits of the Town of Greenwood without obtaining a special permit for such burning from the Town Council or its designated representative; provided however, that nothing contained herein shall prohibit the use of outdoor fireplaces, grills or other devices for the preparation of food.”

**Greenwood Comprehensive Plan** – The Planning & Zoning Commission gathered many comments from Greenwood residents regarding the Town’s future during our National Night Out event on August 14, 2018. Please feel free to offer your comments about our town and how to improve it.

**Road Construction** – Sidewalks and resurfacing on Governors Avenue should be completed by the end of September. The Town is resurfacing South First Street which will complement the DelDOT project of resurfacing North First Street earlier this summer. The Mayor and Council are currently reviewing all streets for safety and general condition for future upgrades.

## Police Department Announcements

-We would like to thank everyone that attended our Night Out, we had a great night and look forward to next year!

-September is National Preparedness Month! This presents an opportunity to make sure your family is prepared for disasters that could potentially affect our community or your household. It is better to be prepared now so you can take action when it is needed. The Department of Homeland Security has great resources on their website at [www.ready.gov](http://www.ready.gov).
