### Safety Tip

While drowning deaths peak among one and two year olds, drowning continues to be the second leading cause of preventable death through age 15.

- Don't go in the water unless you know how to swim; swim lessons are available for all ages. Always swim in waters suitable for your skill level.
- Never swim alone.
- Learn CPR and rescue techniques.
- Swim in areas supervised by a lifeguard.
- Don't push or jump on others.
- Don't dive in unfamiliar areas.
