

TOWN OF GREENWOOD OCTOBER 2020 NEWSLETTER

Mayors Message

This months message is about the safety of our residents. As Town Ordinance A-17 states, all homes and businesses in town must display numbers on the front of the house/building with the 911 address. This is very important in the case of an emergency call for the Fire Department or Police Department to respond as quickly as possible. Also with the Fall season upon us, it is the perfect time to check your smoke detector batteries.

Town Hall is now open Monday through Friday from 8:00 am to 5:00 pm. We ask at this time if you need personal attention for a matter to please call and make an appointment with the staff. The shredder is available in the lobby for the use of all Town Residents by appointment as well. If you would like to pay a bill you may still make those payments online, in the drop box 24 hours a day on the side of the building or through the mail. If you need to come into the office face coverings are required.

Upcoming Meetings:

Town Council October 14, 2020 6:30 pm

November 11, 2020 6:30 pm

- Trick or Treat in small groups
- Always inspect candy prior to eating and discard all unwrapped or loosely wrapped candy
- Keep all decorations away from open flames such as cornstalks or crepe paper and keep decorations and debris out of walkways to avoid tripping hazards.
