

## TOWN OF GREENWOOD MARCH 2021 NEWSLETTER

### WATERMAIN PROJECT

The new watermain project is scheduled to begin on March 15, 2021. Please prepare for possible traffic delays in the area of E. Market Street and Route 13 Monday through Friday for approximately two months. Your patience is appreciated.

### TOWN UTILITY SERVICES

At the end of each month, meters are read, utility bills are prepared and sent to each resident. Payments are due at the end of each month and any monies received after the due date are considered late and are subject to a late fee. **To ensure your payment is posted properly please include your account number with the payment.**

**TRASH SERVICES:** Due to increased costs to the Town from the garbage/recyclables collection provider, the monthly fee has been increased from \$18 to \$24 as presented at our 11/11/20 and 12/9/20 Town Council Meetings and approved by the Town Council.

**IMPORTANT NEWS!** The Town will be implementing a new billing system which should be operational by the billing on April 1, 2021. This system will allow you to look at your account and see any balance owed, usage, payment history and make the payment all on the same screen! We will continue to send the postcard and this system will be much more user friendly!

### IMPORTANT DATES

- MARCH 14, 2021 DAYLIGHT SAVINGS TIME: SET YOUR CLOCKS AHEAD ONE HOUR AND THIS IS THE PERFECT TIME TO CHECK YOUR SMOKE DETECTORS!
- MARCH 20, 2021 FIRST DAY OF SPRING!
- UPCOMING TOWN COUNCIL MEETINGS: MARCH 10, 2021 AND APRIL 14, 2021.

### SEWER FLOWS

Rain, rain go away! It has been a wet winter and we ask all residents to make sure that you do NOT discharge or pump any water from a basement sump pump, downspout and/or any type of ground water/run-off into the Towns sanitary sewer system per Ordinance E-7 Section 7. Thank you!
