REMINDER: Due to the previous restrictions limiting our venue and vendors, the Greenwood Police Dept. made the decision in April to cancel this year's Night Out. Planning for large scale events start very early in the year and with the guidelines most of our vendors were not allowed to attend. Our Night Out is considered an indoor event at our venue, and with an expected turnout of almost 600 people, it was not feasible to move forward with planning. We look forward to hosting the event next year and seeing our community at small scale events happening in town.
