Did you know?

Black History month was officially recognized by President Gerald Ford back in 1976. He called on the public to "seize the opportunity to honor the too-often neglected accomplishments of Black Americans in every area of endeavor throughout our history."

Since then, every American President has endorsed a specific theme for that year's Black History Month.

2024's theme is *African Americans and the Arts*, which explores the key influence African Americans have had in fields of "visual and performing arts, literature, fashion, folklore, language, film, music, architecture, culinary, and other forms of cultural expression."

Planning Commission

The Town of Greenwood may need 2 Planning Commission members this year, for a 3-year term. Please email Janet if you are interested in being nominated for one of those seats.

Volunteer Opportunity

Greenwood has expanded their community events over the past few years, but none of that can happen without help from the community. If you are interested in joining a committee to help with Farmers' Markets, Yard Sale Day, Greenwood Day, or the Christmas Parade, please email your contact information to:
