

Whereas in the opinion of the Town Council of the Town of Greenwood, it is in the best interest of creating jobs with community benefits, and eliminating the marijuana illegal market to allow law enforcement to focus on violet crime and property crimes, as well as promoting individual freedom to further amend the zoning ordinance to allow the operation of marijuana cultivation facilities, marijuana product manufacturing facilities, and marijuana test facilities within the Town of Greenwood.'

What is not written in here is the retail store restriction to Highway Commercial and 1500 feet. So that last paragraph is actually struck. It prior said, 'in the opinion of the Town Council of the Town of Greenwood it is in the best interest of the community to further amend the zoning ordinance to prohibit the operation of retail marijuana stores within the Town of Greenwood.'

So that's the whole motion."

Motion Seconded by Mr. Miller. Unanimously APPROVED. Mrs. Todd stated that she would draw it up, have an attorney look it over, and then it would go to Council for a first reading.
