Fireworks

The safest way to enjoy fireworks for the 4th of July is to attend one of the many professional displays throughout the area. Aerial and explosive fireworks of any type (including bottle rockets, firecrackers, and Roman candles) are prohibited throughout the year. As a reminder, ground-based, non-explosive, non-airborne fireworks and sparklers are permitted to be used only on July 4th. More information on what is permitted and the safe disposal of fireworks and sparklers can be found on the fireworks brochure at statefiremarshal.delaware.gov
